Watermelon anyone.

The Road Not Taken

Two Roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;
Then took the other, as just as far,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that, the passing there
Had worn them really about the same,
And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the firs for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.
I shall be telling this with a sigh
Somewhere ages and ages hence:
two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.

— Robert Frost

CROSS ROADS

In our lives we are faced with many decisions. These are the crossroads of life. We must confront each situation with courage! "Have I not commanded you? Be strong and courageous. Be not terrified; do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1:9. This verse gives us encouragement to know that no matter what situations we face the lord is at our side and will help us. So when you come to a cross road in life, which will you take?

What Does Crossroads Mean To You?

Common Crossroads

Amber Rushing - "Crossroads reminds me of the many different roads you can take in your life and the many decisions you are faced with every-day."

Vanessa Bryant - "To me crossroads means all in one accord."

During our lifetime, we face many decisions. According to some William Carey students, these are the five most common crossroads in life:

- 1. Salvation*
- 2. Choosing a spouse*
- 3. Choosing a profession*
- 4. College*
- 5. Small daily decisions*

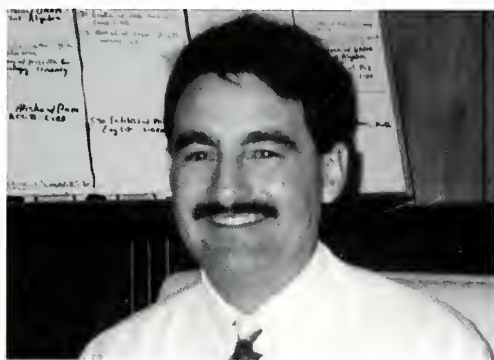

Bobby John Panni - "Life is all about participation. If you don't participate, you have no life."

Ken Fender - "The crossroads of life are choices that everyone must make. The roads you choose to follow may result in your life's work with Christ."

WCCC WORK STUDY

EDITOR'S PAGE

Well, this year has come to an end. We have faced many difficult decisions. As a Freshmen there have been some difficult times, but I have enjoyed every minute of it. The theme of this book has been Cross-roads, and we have faced many putting this book together, and there are many people who deserve a lot of thanks.

Merry Taylor- Thank you so much for all of your support and the help. I don't think this book would have ever been finished if it wasn't for you.

Amanda Blackwell- I want to thank you for all the help and advice you have given me this year.

Traci Woods- Thank you for all the work that you have done to help when it came time for deadlines. Even though you were not on staff, you pitched in and helped. Thanks!!!!

Colleen Smith- You have been a wonderful Assistant editor. Thank you for your willingness to help at all times!!

And most of all, My Staff- Your Wonderful! All of you worked really hard to meet deadlines. If it was not for your dedication and hard work, we would have never met them. Thank You so much!! I have really enjoyed being the Editor of the Crusader. I hope you enjoy this book as much as I have.

*Your 1997-1998 CRUSADER Editor.
